

# THE McCALL ORGANIZATION

*The McCall Family has been in business in New Mexico since 1975 and has been building homes since 1976. Precision Development Ltd. Co. (Precision Homes), a division of The McCall Organization, builds high quality homes in the Albuquerque and East Mountain area. Another division of The McCall Organization, Capital Realty, markets Precision's homes as well as provides full real estate brokerage services for its other customers. Yet another division, Express Development, develops, owns and manages subdivisions and commercial developments. The McCalls have built homes and developed over 40 subdivisions to date, designed for entry level to luxury homes.*

## Howard McCall

Howard McCall entered the real estate business in 1975 after five years of teaching and coaching at the high school level. In 1976, he opened Capital Realty and began building homes and developing subdivisions. Since that time he has sold over 100 million dollars in real estate, built over 1000 homes and developed over 40 subdivisions. Since day one, Sue McCall has provided personal touches as the company's interior designer. She has also mothered four sons and is currently spoiling twelve grandchildren.
